

GENERAL INFORMATION

The Dry Stone Walling Association offers a postal service on all books and merchandise. The prices shown give item costs separately to the postage & packing charges. DSWA reserves the right to amend any information in this leaflet, without warning. This leaflet details items as available at time of going to print and may be updated throughout the year. Titles from some publishers do go out of print and the Association may not, therefore, be able to fulfil orders.

Please allow up to 28 days for delivery to the UK.

Overseas Orders should be accompanied by a cheque drawn on a British bank in pounds Sterling (GBP). Alternatively, payment can be made using Visa or Mastercard credit cards. Please note that surface mail can take up to 8 weeks.

Mail order details are also available on the website, www.dswa.org.uk

Unfortunately, we are unable to accept credit/debit card payments of less than £5.00. Orders totalling less than this are accepted but will be charged at £5.00.

BRIEF DESCRIPTION OF ITEMS

BUILDING & REPAIRING DRY STONE WALLS

Published by DSWA. ISBN 0-9512306 2 X

Author R Tufnell. Softback, 16 pages, 11 line drawings.

This popular publication gives basic information on construction of dry stone walls (double-style). Written as a beginner's guide, useful to all and an inexpensive "starter" book.

DRY STONE WALLING – TECHNIQUES AND TRADITIONS

Published by DSWA. ISBN 0 9512306 8 9

A highly readable, yet practical guide to the building techniques used in different parts of the country. Drawings and photographs illustrate the various walls types and features and show the place of walls in Britain's history, its landscape and its future.

DRY STONE WALLING

Publisher: SW Scotland Branch. ISBN 0-9502623 0 7. Author: Col F Rainsford Hannay.

Softback, 109 pages, 33 black & white pictures or drawings. Reprinted 1999.

First published in 1957, written at a time when there was a definite waning of interest in the craft. It has stood the test of time and provides a valuable insight into the history and construction of dry stone walls around the country - and beyond.

DRY STONE WALLING

Published by BTCV. Softback, spiral binding with soft cover.

Revised by Elizabeth Agate with Sean Adcock 1999. ISBN 0-95467521 9 2. *A practical handbook including history, construction, conservation and legal aspects of dry stone walls. NB can be viewed on BTCV website.*

DRY STONE WALLS – The National Collection Published June 2002 DSWA. ISBN 0 9512306 6 2. Softback; 64 pages. Over 50 colour/mono illustrations. *The story of the Millennium Wall project bringing examples of walls together on a single site, plus information on construction, history and stone. An informative, compact publication suitable for layman or waller.*

IN THERE SOMEWHERE

Publisher DSWA 1999; ISBN-0 9512306 5 4

Softback, 104 pages, 57 illustrations

Written and illustrated by DSWA member David Griffiths. *Featuring Master Craftsman Steven Allen. This book is essential reading for everyone; with sections about competitions, building techniques, regional variations, etc all extensively illustrated. Fold out section of a set of drawings to depict competitions.*

STONE – AN INTRODUCTION

Publisher: Intermediate Technology

ISBN 1 85339 313 4; softback. 172 pages, b&w illust & line drawings. Author: Asher Shadmon

"Bridging the gap between the geologist and the stone user... book describes ..its great variety and versatility, methods of extraction, working & production" Set largely overseas, is essential reading for all with an interest in stone.

IN THE COMPANY OF STONE

Published by Artisan, New York, 2001. ISBN 1-57965-347-2

Words & walls by Dan Snow, photographs by Peter Mauss. Large format, softback 118 pages. *An inspirational book superbly presented and lavishly illustrated showing the work of this American Master Craftsman and DSWA member: imaginative landscape features including newly-built "ruins". A book much praised by wallers.*

DRY STONE WALLS

Published by Shire. ISBN 0747806209

Author: Lawrence Garner

Softback, 40 pages, illustrated (colour/black & white and line drawings)

A short guide providing basic history and brief construction information. Revised issue

THE SLATE INDUSTRY

Publisher: Shire. ISBN: 0 7478 0123 X

Author: Merfyn Williams. Softback. 31 pg. B&W.

Set mostly in Wales and England, this Shire Album is a most interesting overview of the British Slate industry.

QUARRIES & QUARRYING

Published by Shire. ISBN 0 85263 728 4

Author P Stanier. 32 pg. B&W.

Excellently informative book on the source of building stone in Britain.

WHAT'S ON A WALL: THE ECOLOGY OF WALLS

Produced by South Court Environmental Ltd ISBN 1 901676 20 X

A useful reference guide on the variety of species of flora and fauna found on a wall. A recording form is included in the book.

CONSERVING THE FLORA OF LIMESTONE DRY STONE WALLS

John Presland 2007 Published by Wiltshire Natural History Publications Trust

This guide describes Limestone Walls and their flora and explains how to identify typical species. It is based on a study in West Wiltshire but will have some relevance to limestone dry stone walls throughout the country.

continued overleaf

HOW TO BUILD & REPAIR DRY STONE WALLS Video/DVD duration 1 hour.
Features DSWA Master Craftsman & instructor, Dave Goulder, building a wall in Inverness. Includes stills plus filming in Cotswolds. Popular "how to" video.

DRY STONE COUNTRY
Video/DVD from Farming Press. 50 mins. Very watchable general programme with some "how to" featuring DSWA Master Craftsman and instructor Stephen Harrison with presenter Dylan Winter, quality production.

THE WALL WALKS THE FELL: Video/DVD 30mins. Highlights the importance of walls in Cumbria, showing how they were built and their part in the landscape. Also features present day wallers describing how they became involved in the craft.

WALLING HAMMERS
Made of EN9 steel with hickory handles. Pennine style has cutting edge at right angle to shaft (approx 12"). Available in 2½lb, 3lb or 4lb head weight.
Catchie /dyking style has cutting edge parallel with shaft (approx 13"). Head weight approx 4lb. French style walling hammer has cutting edge parallel with shaft (approx 12"). Head weight approx 2½lb.
Scutch hammer is double-headed and supplied complete with 2 combs + 2 blades.

PINS AND LINES
Pair of substantial metal pins with 18 metres of line.

SAFETY GOGGLES
Even if you wear prescriptive glasses, you need eye (or specs) protection! Safety goggles (EN166B) enclosed soft frame goggle with adjustable elasticated head band and clear polycarbonate lenses.

KNEE PADS
Heavy-duty waterproof Neoprene with rubber scuff pad and closed-cell foam lining. Elasticated/velcro straps to fit all shapes & sizes!

LAPEL BADGE
DSWA logo shaped metal badge in green and gold. Approx. 2cm.

DSWA WINDOW STICKERS
Vinyl, self-cling 85mm square white with green DSWA logo and website details

DSWA TIE:
A quality polyester tie in dark green with embroidered single DSWA logo.
