

## Dry Stone Walling Association Pinnacle Award Scheme

<b>Title of Project</b>	The Hive
<b>Location</b>	West Yorkshire
<b>Built by</b>	Lydia Noble and Adam Clarke
<b>Award Granted</b>	Pinnacle
<b>Date of Award</b>	2016

### Summary of Project

A traditional dry stone shelter, which incorporates an oculus in the corbelled roof, splayed window openings and cantilevered seating. Made from a mixture of reclaimed stone from the site and newly quarried sandstone the shelter is built into sloping ground and is complemented by the surrounding retaining walls and patio area.

Commissioned by Private Clients

Award presented by DSWA Chairman, Ray Stockall
