

# DRY STONE WALLING ASSOCIATION

## WORDSEARCH

Who lives in our wall ?

### Words to find:

dry, frog, lizard, mouse, stoat, stone, toad, vole, wall, weasel.

Next time you are out and about, see how many dry stone walls you can find and then take a closer look to see what is living in and around the stones, but remember, don't take the wall apart – you may be destroying a home!
