

Pinnacle Award Scheme

Title of Project	Y Bwthyn
Location	Sharnbrook, Bedfordshire
Built by	Martin Fildes & Geraint Davis
Award Granted	Pinnacle
Date of Award	July 2009

Summary of Project

A straw bale house clad with dry stone, the house is single story and has a floor area of 30sq meters and interior walls coated with lime render. This is an environmentally friendly building that is self-contained and sits on crushed stone as a footing; it has little or no carbon footprint.

Commissioned by Riverdale Stone Ltd
 Designed by Martin Fildes & Geraint Davis
 Award presented by DSWA Chairman, Richard Love
