

Pinnacle Award Scheme

Title of Project	The Hive
Location	West Yorkshire
Built by	Lydia Noble and Adam Clarke
Award Granted	Pinnacle
Date of Award	2016

**Summary of Project**

A traditional dry stone shelter, which incorporates an oculus in the corbelled roof, splayed window openings and cantilevered seating. Made from a mixture of reclaimed stone from the site and newly quarried sandstone the shelter is built into sloping ground and is complemented by the surrounding retaining walls and patio area.

Commissioned by Private Clients  
Award presented by DSWA Chairman, Ray Stockall
