

Pinnacle Award Scheme – Certificate of Merit

Title of Project	Monk Coniston Walled Garden
Location	Coniston
Commissioned By	National Trust
Built by	Andrew Loudon, Stephen Harrison, Richard Hull
Award Granted	Certificate of Merit – Historical Restoration
Date of Award	2008

Summary of Project

The project was part of a three year programme to restore key elements of the historic landscape of the Monk Coniston Estate. Work on the walled garden was integral to creating a new permissive path through the garden and opening up areas of the estate not previously accessible to visitors. Work included high, free standing perimeter walls, some of which were built on a slope, gate posts and new paths.
