

Pinnacle Award Scheme- Certificate of Merit

Title of Project	Croft Farm Riding Arena
Location	Crosby Garrett
Commissioned By	Private Client
Built by	Bill Raine & Stephen Atkinson
Award Granted	Certificate of Merit – Agricultural
Date of Award	2010

Summary of Project

The project involved the excavating and levelling of an area of ground which then had a dry stone boundary wall constructed around it, ranging in height from 5ft to 10ft. Large boulders were incorporated as features around the sides and the site is available for use by local people.
