Award Granted	Certificate of Merit – Historical Restoration
Date of Award	2015

Summary of Project

Perched high up in the North Pennines, Cross Fell Shelter has been restored as part of celebrations marking the 50th anniversary of the Pennine Way. The shelter was built to provide shelter on all sides from the Helm Wind, the only wind in the UK to have a name. The completed structure now stands proudly on top of the 2,930ft plateau.
